Dear Holy Cross Families,

I hope you all had a relaxing spring break and that our students got to spend some time with family and friends.

Thank you all for keeping our First Grade teacher, Miss Barrett, in your prayers. She has gone home from the hospital and is recuperating at her sister's house. It is going to take some time for her to gain her strength back so we ask you to continue to keep her in your prayers. We welcome and thank Mrs. Paula Brummel as our long term substitute until Miss Barrett is able to return.

A couple of weeks ago I was giving a tour of our wonderful school to a prospective family. Another parent came up and introduced themselves and proceeded to be asked what they liked about Holy Cross and why they send their children here. Three words stuck out to me in the conversation: **Faith, Family, and Future.** I heard them respond on how our faith is integrated throughout the school and curriculum. It was emphasized how much the school is a family and that this type of atmosphere fosters a real sense of community throughout the entire school. Lastly, I heard that our small class sizes and teaching to the individual needs of our students leads to the future academic success of their children. It was a very proud moment to be the principal of Holy Cross School! Please spread the word!

God Bless, Mrs. East
