Dear Holy Cross Families,

As we approach the annual celebration of Earth Day this weekend let us remember to show gratitude for God's good gift of creation and the Earth, let us recall our responsibility to care for our common home. Pope Francis says, "Nurturing and cherishing creation is a command God gives not only at the beginning of history, but to each of us. It is part of his plan; it means causing the world to grow responsibly, transforming it so that it may be a garden, a habitable place for everyone."

God of love, show us our place in this world as channels of your love  
for all creatures of this earth,  
for not one of them is forgotten in your sight.  
Enlighten those who possess power and money that they may avoid the  
sin of indifference,  
that they may love the common good, advance the weak, and care for this  
world in which we live.  
The poor and the earth are crying out.  
O Lord, seize us with your power and light, help us to protest all life, to  
prepare for a better future, for the coming of your Kingdom of justice,  
peace, love, and beauty  
Amen
