Happy Easter Holy Cross Families!

Our Easter message is one that reaches beyond baskets, candy, and bunnies. It is a real historical event that has dramatically changed the course of human history. It's a message of hope. Because of the Resurrection, we are called to live our lives differently, in a way which reflects this Good News of hope and of Christ's love for us.

Our faith challenges us to fulfill his will, serve other people and lead them to communion with God in Christ. At school, we seek to answer this call by having our Catholic faith fill our school. Scripture and the Risen Christ guide our teaching throughout our school culture. We have a strong tradition of academic excellence and we seek to build a culture which leads our students and school community closer to Jesus.

*Heavenly Father,
Our hearts are filled with thankfulness and praise
as we think about Jesus's great love for us, the sacrifice he made,
And the never-ending life he lives and shares with us now.
May we always thank you for the gift your Son has given to us.
We ask this through the same Jesus Christ our Lord.
Amen*

As Fr. Dane mentioned at the school mass today, Holy Cross School for 150 years has been providing a faith filled education-let us continue to celebrate!

Easter Blessings, Mrs. East

BONDING CATHOLIC EXCHANGE PROGRAM

Bonding is an organization in which families from our school host students from Guatemala. It is an extraordinary opportunity to make new and lasting friendships through our Catholic faith. This opportunity is open for families with students that will be going into 5th-8th grade in the fall. This program allows families to host a Guatemalan student in their home for 8 weeks. It is a Catholic program for intercultural, academic and spiritual enrichment. It is free and no expense to the host family. The time is mid-October to mid-December. It is a wonderful opportunity for your child/children to be exposed to another culture and make a friend in another part of our world. If you are interested on more information please: [Click here](#).
