Dear Holy Cross Families,

Mary is our loving mother. Her maternal heart is full of love and mercy for her beloved children. She is always waiting for us to turn to her for her motherly guidance. She constantly presents all our prayers to her dear son, Jesus. Mary is known as the "Gate of Heaven". We need Mary to guide us to heaven so that we may not lose our way by falling into sin. Consider praying a decade of the Rosary as a family every single day during the month of May or recite at least one Hail Mary with complete devotion.

Our Holy Cross School May Crowning is tomorrow, Friday, May 4th at 10:40am. Please join us!

*Dear Mary, you lived your whole life saying yes,
Even though you didn't know what that would bring.
You said yes to the angel and yes to God.
How hard it must have been to say yes
To Jesus when he died in your arms.
Your faith gave you the strength to say yes.
Help us know that by saying yes, we can be like you.
Thank you for being our model of faith.
Amen*

Blessings, Mrs. East

ALUMNI NEWS

Congratulations to NDA Junior, Brelyn McCarron (class of 2015) who was recently voted by her classmates to be the Triton Mermaid Mascot! Brelyn will share her shining spirit with all of her classmates at next year's NDA sporting events! Great job Brelyn! Go Tritons!

Two Holy Cross alumni (class of 2014) were recently selected by Marquette University to be part of an accelerated degree program. Sam Nennig was selected to participate in the Marquette University Pre-Law Scholars Program. Sam will graduate with a law degree in six years rather than seven. Gracie DeGroot was asked to be part of the Marquette University Pre-Dental Scholars Program and will graduate with a degree in dentistry in seven years rather than eight. The awards were given out based on A.C.T. scores and class rank along with a submitted written essay. Gracie also had to go through an interview process. We are so proud of you both!

Mari Vogel (class of 2011) will graduate this year from the University of Alabama where she was awarded a full scholarship. Mari earned her undergraduate degree in 3 years and will study law at George Washington University in the fall under another full-tuition scholarship. Way to go Mari!
