Dear Holy Cross Families,

Tomorrow's school mass will be led by Second Grade and the theme is Gratitude for all that has been, is, and will be. Also, tomorrow is the “**Salute to the Sisters Day**”. We are especially grateful for all the sisters who have touched so many people in our 150 years of history as a school. We as a parish are proud that the largest numbers of vocations to the Sisters of St. Francis of the Holy Cross have come from this parish community.

Gratitude consists of being more aware of what you have than what you don't –Author Unknown

If we knew how much the habit of being thankful might do for us, I am sure we would take time out every day to count up a few of our blessings. When the spirit of thankfulness takes its place in our consciousness, we radiate life from the center of our being to the world about us.-Author Unknown

Thank You Sisters!

Blessings, Mrs. East

ALUMNI NEWS

Izana Watruba, Mrs. Mary Peterson's daughter, has a degree in Dairy Herd Management and another one in Farm Operations. She has her own farm, but the picture is taken at the farm she works at...where she delivers the baby cows. According to Mary, "We will be celebrating family holidays and she has a cow in labor. There are cameras in the barn that connect to an app on her phone and we all get to watch the cow while it is in labor and as soon as "it's time"...away she goes to deliver the baby." Needless to say this Holy Cross Alumni has a very important job in our agricultural industry.
